

The background of the entire image is a vibrant tropical scene. It features several palm trees with green fronds against a clear blue sky. In the foreground, a toucan with a large, multi-colored beak (orange, yellow, and red) and black and white plumage is perched on a dark brown branch. The ground below is a mix of green grass and sandy areas, with some white foam from waves visible in the distance. The overall style is that of a classic travel brochure or restaurant menu cover.
