VALENTINO'S

Since February 2013 we have been following in the Callahan family tradition, we proudly serve **burgers** inspired by Don and **homemade** Northern Italian fare inspired by Nilde. Our family would like to share with you the flavors from our kitchen using fresh organic ingredients from local farms whenever possible. We use the highest quality USDA inspected fresh meats from Cherry Street Meats. We feature hand pressed fresh burgers and made to order sandwiches. Our soups, salads, dressings and sauces are all made from scratch. Please join us Saturday nights at Weekend Beer Co for dinner specials from our family to yours...Our favorites are comfort, home cooked meals that we can share with you.

We will always strive to meet and hopefully exceed all of your expectations! We look forward to expanding our circle of Valentino's family and friends.

Sincerely,

Brian, Laurie and the Valentino's crew
